Village of Sunbury 2017 Leaf Pick-up Program

Village of Sunbury Resident:

It is leaf collection time once again. The Village of Sunbury street crews intend to continue the leaf pick-up program as in prior years by following a specific **Curbside Leaf Pick-up Schedule** beginning **Monday October 16, 2017** and running through **Friday December 8, 2017**. The Village will once again be divided into four (4) sections A, B, C and D as seen on the map (on reverse side). Sections A and B cover the older, more heavily treed areas while Sections C and D are the newer sections of the Village.

As in prior years, every effort will be made to keep on the daily schedule. If weather or equipment failure prevents Village crews from finishing a section on a certain day, the schedule will be followed the next day and the missed section returned to as time allows. By having a dedicated work schedule, Village residents know when and where leaf pick-up is taking place on any given day. The schedule has been adjusted for holidays as well.

This leaf season will be the second year our large, Leaf Vac unit is used to remove the leaves more efficiently. As a reminder, we ask residents to pile the leaves as close to the street as possible without blocking the sidewalks. Please do not pile leaves in the street or around mailboxes, fire hydrants, signs, utility poles, parked cars, etc. Residents with sidewalks should pile the leaves in the tree lawn of their property and those without sidewalks as close to the street as possible as leaves will **NOT** be hand raked by Village staff.

Please direct any comments, suggestions or concerns to the Sunbury Village offices at 740-965-2684 or e-mail to the Village Administrator, Allen Rothermel at arothermel@sunburyvillage.com.

Your cooperation and patience throughout this process will be much appreciated.

Sincerely,

Brad Gerwig
Street Superintendent
