

Vote Yes!!

*Vote Yes for BST&G Fire
District Levy on May 2!*

What is the average cost?

42 cents a day for a \$100,000 home. An increase of \$64.75 a year.

What we do already?

- Fire/ Rescue Services
- Ice Rescue
- Hazardous Material Responses
- Equipment Education
- Smoke/ Carbon Monoxide Detection
- Fire Safety Prevention
- EMS services
- Fire Safety Inspections

Why the increase?

- Due to the rapid growth in eastern Delaware County, the demand for services will exceed the current budget allocations in the coming years
- BST&G responds to roughly 1,000 runs a year
- There is a need for increased staffing to keep up with the run volume

What would the new levy bring?

- Add more full time employees
- Increase staffing for two trucks to respond to most incidents
- Update equipment- purchase a new Engine/Rescue, Grass Truck, and Rescue Tools

**Paid for by:
BST&G Fire Levy Committee**
